Words are beautiful and versatile things, but when used incorrectly they can lose a lot in transition, and the more complex the word, the more misused it can become. And as words eternally evolve in their everyday use, they can begin to be interpreted as something other than their original meaning. 500 Words You Should Know will inspire the reader to use uncommon words in their correct context, to utilize the English language to its full potential, and to test themselves on the words they think they already know.
