Only when you and your mate know and respect each other's needs, choices, and freedom can you give yourselves freely and lovingly to one another.

Boundaries are the "property lines" that define and protect husbands and wives as individuals. Once they are in place, a good marriage can become better, and a less-than-satisfying one can even be saved.

Drs. Henry Cloud and John Townsend, counselors and authors of the award-winning bestseller *Boundaries*, show couples how to apply the 10 laws of boundaries that can make a real difference in relationships. They help husbands and wives understand the friction points or serious hurts and betrayals

in their marriage - and move beyond them to the mutual care, respect, affirmation, and intimacy they both long for.

Boundaries in Marriage will help you:

Set and maintain personal boundaries and respect those of their spouse
Establish values that form a godly structure and architecture for their marriage
Protect their marriage from different kinds of "intruders"
Work with a spouse who understands and values boundaries - or work with one who doesn't

You don't have to let your marriage head toward separation or divorce. Discover how boundaries make life better today!

Plus, check out *Boundaries* family collection of books dedicated to key areas of life - dating, raising kids, parenting teens, and leadership. Workbooks and Spanish editions are also available.
