they don't feel well! We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of Spanish along the way, obviously), this book is for you!

## How Conversational Spanish Dialogues works:

Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life.

A Spanish version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying!
