This book deals with the subject of vulnerability, and what is even more interesting and intriguing is that the author points to vulnerability as something positive.

Brown suggests that vulnerability can be used to benefit human lives, because by being vulnerable and by risking being hurt or by risking of failure, we also open doors to countless possibilities in our lives. Most people perceive vulnerability as a sign of something bad, and by exposing this myth Brown tries to help her readers to understand that being vulnerable is also the way of taking the best of what life has to offer each and every one of us.
