**Dead Wake Download Online eBook Erik Larson Free eBook PDF/ePub/Mobi/Mp3/Txt, From the #1 *New York Times* bestselling author and master of narrative nonfiction comes the enthralling story of the sinking of the *Lusitania*, published to coincide with the 100th anniversary of the disaster**

On May 1, 1915, a luxury ocean liner as richly appointed as an English country house sailed out of New York, bound for Liverpool, carrying a record number of children and infants. The passengers were anxious. Germany had declared the seas around Britain to be a war zone, and for months, its U-boats had brought terror to the North Atlantic. But the *Lusitania* was one of the era's great transatlantic "Greyhounds" and her captain, William Thomas Turner, placed tremendous faith in the gentlemanly strictures of warfare that for a century had kept civilian ships safe from attack. He knew, moreover, that his ship--the fastest then in service--could outrun any threat.

Germany, however, was determined to change the rules of the game, and Walther Schwieger, the captain of *Unterseeboot-20*, was happy to oblige. Meanwhile, an ultra-secret British intelligence unit tracked Schwieger's U-boat, but told no one. As U-20 and the *Lusitania* made their way toward Liverpool, an array of forces both grand and achingly small--hubris, a chance fog, a closely guarded secret, and more--all converged to produce one of the great disasters of history.

It is a story that many of us think we know but don't, and Erik Larson tells it thrillingly, switching between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era. Full of glamour, mystery, and real-life suspense, *Dead Wake* brings to life a cast of evocative characters, from famed Boston bookseller Charles Lauriat to pioneering female architect Theodate Pope Riddle to President Wilson, a man lost to grief, dreading the widening war but also captivated by the prospect of new love. Gripping and important, *Dead Wake* captures the sheer drama and emotional power of a disaster that helped place America on the road to war.
