Stolen from my home.
Trapped on a giant spaceship.
Taken by the Prince of an alien species I never knew existed.

He's more than a man in so many ways.
But I can't let myself fall under the telepath's spell.

I can't think about his long silver blond warrior's hair...
His glowing eyes...
His unique tongues...
Or the immense equipment dangling between his legs.
I have to be sensible -- I have to escape.

The only problem is that the Crown Prince will never let me out of his sight.

And even if I did escape, I'd have no way to get back to Earth.
