As a health journalist and mother-of-three, Lucy Atkins is familiar with both the medical aspects of childbirth and baby development, and the reality of day-to-day life as an exhausted first-time mum or dad. In her feisty, humorous style, she begins with that first mind-blowing day and addresses the issues unique to the first-time parent who stares at their newborn and thinks "Where are the instructions?"

Anticipating the questions and concerns of all new mothers-Why does my baby cry so much? Will I ever lose all this weight? Am I a bad parent because...?-the book provides practical advice and level-headed reassurance. It addresses the needs of the baby and, very importantly, those of the parent during the first year of their baby's life.
