New York City. Two in the morning. A subway car heading uptown. Jack Reacher, plus five other passengers. Four are okay. The fifth isn't. And if you think Reacher isn't going to get involved . . . then you don't know Jack.

Susan Mark, the fifth passenger, had a big secret, and her plain little life was being watched in Washington, and California, and Afghanistan—by dozens of people with one thing in common: They're all lying to Reacher. A little. A lot. Or just enough to get him killed. A race has begun through the streets of Manhattan, a maze crowded with violent, skilled soldiers on all sides of a shadow war. For Jack Reacher, a man

who trusts no one and likes it that way, the finish line comes when you finally get face-to-face and look your worst enemy in the eye.
