How To Bullsh*t Your Way To Number 1 Download Online eBook Oobah Butler Free eBook PDF/ePub/Mobi/Mp3/Txt, Less than a year ago, Oobah Butler was living in a garden shed in London, struggling to pay rent and living on a diet of boiled eggs. It's safe to say that he hadn't achieved much with his life. Yet just a year on, on the back of three documentaries that have been viewed over 150m times, he's won awards, been featured on TV all over the world and has been lauded by critics, commentators and serial achievers across the globe. How did everything turn for him? With an idea.

Since he came with the Shed at Dulwich, the world's most famous restaurant that never existed, Oobah's life has been completely transformed. Fantastic, of course, but it made no sense. How could something he'd invested such little care and emphasis in be so impactful? Could this be the key? So he asked himself the question: How would my life work out if I approached it with as little consideration and as much enjoyment as my fake restaurant? Can one achieve more in life if they cease to be so emotionally involved in their goals?

Too much non-attachment leads to detachment. Too much attachment insures heartbreak in a world that is forever changing." Tony Schwartz, multiple international best-seller

"I don't believe in experts, guru's or prophets, but Oobah Butler is a master I can believe in. By following his philosophy on life over the past 12 months, I have been able to carve out my own unique path as a singer, songwriter, actress and artist. And I've done it completely on my own with absolutely no help, except Oobah's." Sky Ferreira

"Part entrepreneur and part prankster, Butler's antics are so carefully orchestrated they've taken him to Paris Fashion Week and recently landed him a book deal." Forbes "Hilarious" Robin Young, NPR

"Oobah Butler is the culinary con artist behind what was simply a figment of his imagination." NPR Weekend Edition

"Whether he's blagging his way into fashion week as a knock-off brand designer or sending fake
