How to Stop Worrying and Start Living

How to Stop Worrying and Start Living is a self-help book written by Dale Carnegie. The book itself has thirty chapters, suggesting that Carnegie invested a lot of effort into describing what it takes for an ordinary person to finally stop worrying over trivial things and to start living just the way each person should. Written in a reader-friendly manner and using simple-to-understand language, Carnegie wants to send us a message: life does not have to be lived like this and there is always a better, higher quality way for life to be lived.

The book has thirty chapters, suggesting that the journey through discovery and revelation regarding how to start living will last for some time. But that does not mean that the book is dull and/or boring in any way. Quite the contrary, *How to Stop Worrying and Start Living* is a book which will interest and attract readers.
