After all, she's no Martha Stewart. And that's why Jen is going to Martha up and live her life according to the advice of America's overachieving older sister—the woman who turns lemons into lavender-infused lemonade. By immersing herself in Martha's media empire, Jen embarks on a yearlong quest to take herself, her house, her husband (and maybe even her pets) to the next level—from closet organization to party planning.

Maybe Jen can avoid food poisoning if she follows Martha's dictates on proper storage. Maybe she can rid her workout clothes of meatball stains by using Martha's laundry tips. Maybe she can create a more meaningful anniversary celebration than getting drunk in the pool with her husband. Again. And maybe she'll discover that the key to happiness does, in fact, lie in Martha's perfectly arranged cupboards and charcuterie platters.
