**I Suck at Girls (Enhanced Edition) (Enhanced Edition) Download Online eBook Justin Halpern Free eBook PDF/ePub/Mobi/Mp3/Txt**, In I Suck at Girls, the enhanced e-book edition, Justin's famously opinionated father goes on camera for the first time, offering life advice on topics from marriage to profanity and debating the appeal of pornography in seven exclusive videos. Justin's father also tells his version of raising Justin with an essay written in prose as hilarious and poignant as his son's. In addition the enhanced e-book features nine exclusive photos from Justin's childhood.

"Human beings fear the unknown. So, whatever's freaking you out, grab it by the balls and say hello. Then it ain't the unknown anymore and it ain't scary. Or I guess it could be a shitload scarier."

Fans of the #1 bestseller *Sh\*t My Dad Says* will recognize the always-patient voice of Justin Halpern's dad as it crackles through the pages of this hysterical new book. The story

begins when Justin takes his dad out to lunch to announce that he's decided to propose to his girlfriend.

"You've been dating her for four years," his dad replies. "It ain't like you found a parallel f\*\*\*\*\*g universe." But eventually he gives Justin some advice: that he should take a day off and think back over everything he's learned in life about women, relationships, and himself before making his decision. And that's just what Justin does—revisiting everything from his disastrous childhood crushes to the night he finally lost his virginity while working as a dishwasher at Hooters.

*I Suck at Girls* is full of his dad's patented brand of wisdom. But it's also full of new characters just as funny as his dad—from his brother, who provides insights into wedding night rituals ("You stand in one corner of the room, and she stands in the other. You each take off one piece of clothing at a time") to his first boss, who warns Justin to man up: "That's what a man does. He takes his shots and then he scrubs the s\*\*t out of some dishes." The result is a pilgrim's progress through the landscape of sex and love—by one of the funniest writers at work today.

Please note that due to the large file size of these special features this enhanced e-book may take longer to download than a standard e-book.
