Mesías [Messiah], the first of six volumes in the Inmersión [Immerse] series, takes the reader on a new and unique journey through every book of the New Testament. The Inmersión series provides a new way to interact with God's Word because it delivers Scripture to the reader as it was originally created: without chapter or verse breaks. While references are available for ease of finding specific Scripture references, those references do not appear within the actual text of Scripture. This makes for uninterrupted reading of God's Word. The result is a Bible developed for being read and understood, not referred to. Created with the look and feel of a paperback book, and written using the text of the Nueva Traducción Viviente, the most readable Spanish translation available, *Mesías* enables you to easily read and understand the New Testament.
