The original enigmatic rock star, Jimmy Page is a mass of contradictions. A towering presence in the guitar world and one of the most revered rock guitarists of all time, in private he is reclusive and mysterious, retiring and given to esoteric interests. Over the decades he has exchanged few words to the press given the level of his fame, and an abiding interest in the demonic and supernatural has only made the myth more potent.

But in the midst of this maelstrom, who was Jimmy Page? Rock journalist Chris Salewicz has conducted numerous interviews with Page over the years and has created the first portrait of the guitarist that can be called definitive, penetrating the shadows that surround him to reveal the fascinating man who dwells within the rock legend.
