Children have many different ways of receiving love, and their need to feel love is great. Learn how to understand your child better so that you can give them all the love they require in the best way possible.

The Five Love Languages of Children explores what those different love languages are, and helps you to discover the words, actions, and activities that will allow you to best communicate and bond with your child. Once you speak the same language as them, your parenting will become so much more effective and your relationship will be enhanced.

You will learn:

- What the five love languages are and which one your child is speaking
- How to communicate with your child if they have not yet developed a primary love language
- How discipline can be transformed into a loving act rather than punishment.
