According to fitness guru Phil Catudal, 70 percent of people exercise the wrong way. To achieve lasting fitness and health, Catudal explains, you should work with your natural-born body type and do the optimal combination of cardio, strength training, and flexibility exercises and consume the right proportion of macronutrients for your physique. While fitness trends and fad diets will come and go, your body type (somatotype) is the one constant that's never going to change. Just Your Type helps anyone create an individualized workout that's tailored to their body shape and composition. Working harder isn't always the answer, but working smarter is.
