Rae Kerrigan and her friends have finally crossed the line, and this time, there's no going back. After a violent standoff with the entire Privy Council, the gang wakes up under the protection of the last people they ever expected to see: the Xavier Knights.

Old bridges are burned. New alliances are formed. There's a storm brewing on the horizon, and unless they unite together—it will overtake them all. What they need, is time. But an unexpected visit from an old enemy sets off a spark, and suddenly, Rae's entire world is in flames.

Can she and her friends get the people they need together in time? Even if they can, will they ever be strong enough? More importantly, are she and Devon strong enough to survive what's about to come?

A dangerous game has begun and the only question that remains is: who will be the last one standing?
