**Making It in America Download Online eBook John Bassett & Ellis Henican Free eBook PDF/ePub/Mobi/Mp3/Txt**, Everyone knows you can't build things in America anymore. Everyone, that is, except John D. Bassett III. While one corporation after another exported their manufacturing to high-volume factories in low-wage locations overseas, Bassett's traditional wood bedroom furniture manufacturing company has not only survived, but thrived, making premium products right here in America. When everyone else was rushing for the exits, Bassett bet on the talent, dedication, and uncompromising quality of American workmanship.

And he won.

In *Making It in America*, Bassett tells you the secrets that have made Vaughan-Bassett Furniture so successful doing what everyone said couldn't be done. Drawing on rich life experience, including the everyday challenges running a traditional manufacturing company, Bassett constructs a 12-point plan to achieve successful leadership in any business. These steps include: Have a winning attitude, respect your employees, don't panic, reinvest constantly, and make the best of the worst.

Bassett's story is about how those values underpinned his personal success and how they can revitalize America itself. In the face of feckless leadership, crumbling infrastructure, and global competition, Bassett's story is a blueprint for how America can revitalize its role as leader of the free world and how your success can be part of it.
