Ten years on from the financial crash, and we are still bad with money. We press 'cash only' at ATMs, and accept that we'll be paying back our student loans with our pension savings.

Money: A User's Guide cuts through all the panic of personal finances. It will teach you how to get a great credit score, how to save hundreds on bills, and offer practical advice on every difficult conversation you've been avoiding including:

- Housing (for renters and buyers)
 - Student Loans
 - Pensions
 - Paying off debt
 - Stocks and shares
- Ethical investments
 - Money and Mental health
 - Money and Love

This essential book will give you the confidence and clarity to take back control of your bank account, enabling you to thrive in all areas of your life.
