New Words for Old Download Online eBook Caroline Taggart Free eBook PDF/ePub/Mobi/Mp3/Txt, The English language is a versatile and agile thing, and as our world changes, so too does the way we use it. Sometimes we coin new words for new creations, but very often we adopt and adapt existing words to suit new purposes, or simply put two together to form a third.

New Words for Old looks at the story behind some of the words we use every day and how their meanings have changed over time. From technology and fashion to politics and music, our language displays centuries of imagination and creativity, so often overlooked.

Tracing the development of *green* from the days when it was just a colour, *web* when it was something spiders made and *trolls* when they were nothing more threatening than the baddies in fairy tales, this is a fascinating tour through the history of the words we use every day and demonstrates just

how wide we cast the net when trying to describe something new.
