The office is full of rules. Making a charity calendar of the hot guys on your floor? Not allowed. Shrinking your boss' underwear when he sends it for dry cleaning? Can't do that either.

But those things preserve the natural order. Because Avery Banks, our resident rising star, is a shark. The tall, blond, and gorgeous kind with zero patience and even less forgiveness.

Good thing I'm the Mae West of executive assistants. I live to put grown men in their place.

He wasn't supposed to find out.

Now he's made it his personal mission to screw me the way I screwed him. I'm at his beck and call for every humiliating

request.

Until we stumble on a new game. One we both want to play. One we both need to win.

And once we start...Avery doesn't want to replace me. I don't want him to.

All I want is more of this. The fire under the ice. What happens behind closed doors.

It's twisted, and so damn hot. But he's my boss. And with the company coming off a scandal even I couldn't engineer? What we're doing is strictly NSFW.

Lucky for me, Avery and I have one thing in common...

We both suck at following the rules.

NSFW is a smart, quirky and HOT enemies-to-lovers office romance! Book two in the hit series about a quirky group of young gaming and finance professionals in Boston. Each book is standalone.
