Pinocchio's Forgotten Land Download Online eBook Scott Mignola & Mike Mignola Free eBook PDF/ePub/Mobi/Mp3/Txt, What became of Pinocchio after his beloved fairy transformed him into a real boy? Was he a comfort to his father? Did his schoolmates accept him as one of their own? Were his days of mischief and disobedience behind him?

Hardly!

Scott Mignola's marvelously insane, true-to-the-original sequel picks up where Carlo Collodi's 1883 masterpiece THE ADVENTURES OF PINOCCHIO left off, following reckless Pinocchio through enchanted woods, a treacherous desert, and into the afterlife itself as he seeks a lost fortune and the forgiveness of his beloved fairy, who he fears may be dying of disappointment on his account. Some favorite characters return, along with a parade of new ones, including a monstrous crab, a beautiful enchantress who collects lost children, and a man with a bull's head who perhaps sums it up best: "By the Emperor's whiskers, I swear I have never

seen such a thing."

This companion volume to THE ADVENTURES OF PINOCCHIO features cover and title plate art by internationally acclaimed Hellboy creator Mike Mignola.
