Guberman offers strategies for pruning clutter, adding background, emphasizing key points, adopting a narrative voice, and guiding the reader through visual cues. The structure and flow of the legal analysis is targeted through a host of techniques for organizing the discussion at the macro level, using headings, marshaling authorities, including or avoiding footnotes, and finessing transitions. shares his style "Must Haves", a bounty of edits at the word and sentence level that add punch and interest, and that make opinions more vivid, varied, confident, and enjoyable. He also outlines his style "Nice to Haves", metaphors, similes, examples, analogies, allusions, and rhetorical figures.
