Prognosis: Poor Download Online eBook Frances Southwick, D.O Free eBook PDF/ePub/Mobi/Mp3/Txt, Prognosis: Poor is a poignant snapshot of one physician's medical training. Frances Southwick, D.O. explores the highs and lows (more often the lows) of the process of becoming a doctor. She delivers colorful detail inside the mind of one trainee, herself, through undergraduate school, medical school and residency. The book focuses most heavily on the capstone of family medicine training: three years of residency in a well-respected Pittsburgh hospital. Dr. Southwick courageously explores her most difficult moments of self-doubt and hopelessness, but wraps the text up with a chapter cataloguing current problems in the training process and how they might be remedied. This memoir highlights the problem of depression in physicians and physicians-in-training as a looming, large, current problem.
