Have you ever been in a relationship with a psychopath? Chances are, even if you did, you would never know it. Psychopaths are cunning charmers and master manipulators, to the point where you start to accept the most extreme behaviors as normal...Even if it hurts you.

All around us, every single day, human beings devoid of empathy are wreaking havoc and destroying lives in the coldest, most heartless ways imaginable. In constant pursuit of money, sex, influence, or simple entertainment, psychopaths will do whatever it takes to gain power over others. They hide behind a veil of normalcy, arranging their friends and partners like pawns in a game of chess.

Using false praise and flattery to get what they want, they can lure *any* unsuspecting target into a relationship. Once hooked, their charming promises spin into mind games and psychological torture. Victims are left devastated and confused, unable to recognize—or even put into words—the nightmare that just took place.

Written from the heart, *Psychopath Free* is the first guide for survivors written by a survivor, offering hope for healing and thriving after psychopathic abuse. Say goodbye to the chaos, self-doubt, and victimization. You are free.
