Property investment is one of the most lucrative ways to make money - **but only if you know what you are doing.**

It is so easy to get it wrong by buying in a bad location, paying too much for the building, charging too little to your tenants - and hundreds of other *expensive mistakes which could be the difference between a profit and a loss.*

Wouldn't it be great if you could *find everything you needed to know* to avoid these errors *in one place* - rather than having to endlessly search the internet and get conflicting

advice and confusing information?

**Rental Property Investing** has been written by real estate experts with years of experience in property development, renovation and rentals to give you the ***inside track to success.***

What they don't know about property rentals is not worth knowing.

This *comprehensive reference work* will be something you come back to time and time again for the invaluable explanations and guidance it offers.

You Will Discover:

The basics nobody ever tells you - the whys, whats, and hows to look out for. Looking beyond the basics - past the confusion - to nail the deal. The pros and cons - do you really want to do this? Reasons for joining the growing band of people who have made a success of property. Things you really ought to know about the buying process. The nitty gritty of owning a rental. Financing - all
