Robin Download Online eBook Dave Itzkoff Free eBook PDF/ePub/Mobi/Mp3/Txt, From *New York Times* culture reporter Dave Itzkoff, the definitive biography of Robin Williams - a compelling portrait of one of America's most beloved and misunderstood entertainers.

From his rapid-fire stand-up comedy riffs to his breakout role in *Mork & Mindy* and his Academy Award-winning performance in *Good Will Hunting*, Robin Williams was a singularly innovative and beloved entertainer. He often came across as a man possessed, holding forth on culture and politics while mixing in personal revelations - all with mercurial, tongue-twisting intensity as he inhabited and shed one character after another with lightning speed.

But as Dave Itzkoff shows in this revelatory biography, Williams's comic brilliance masked a deep well of conflicting emotions and self-doubt, which he drew upon in his comedy and in celebrated films like *Dead Poets Society*; *Good Morning, Vietnam*; *The Fisher King*; *Aladdin*; and *Mrs. Doubtfire*, where he showcased his limitless gift for improvisation to bring to life a wide range of characters. And in *Good Will Hunting* he gave an intense and controlled performance that revealed the true range of his talent.

Itzkoff also shows how Williams struggled mightily with addiction and depression - topics he discussed openly while performing and during interviews - and with a debilitating condition at the end of his life that affected him in ways his fans never knew. Drawing on more than a hundred original interviews with family, friends, and colleagues, as well as extensive archival research, *Robin* is a fresh and original look at a man whose work touched so many lives.
