He was used to patching up everything from fishing lures stuck in skin to gator bites. Nothing could surprise him anymore—except when he found an unconscious woman partially submerged near his dock after a fierce thunderstorm.

Ellery St. John’s last memory was of a bat swinging toward her head. The next thing she knew, she was cold, wet, and a sexy man was pressing his lips to hers. Too bad it turned out to be CPR instead of a passionate kiss.

Gavin thought Ellery would be safe in the small town where BBQ wars were the biggest danger, but he was wrong. Now it was up to him to help Ellery put the pieces together in order to discover who had tried to kill her and why before they both ended up at the bottom of the ocean.
