So You Want to Talk About Race Download Online eBook Ijeoma Oluo Free eBook PDF/ePub/Mobi/Mp3/Txt, In this *New York Times* bestseller, Ijeoma Oluo offers a hard-hitting but user-friendly examination of race in America

Widespread reporting on aspects of white supremacy--from police brutality to the mass incarceration of African Americans--have made it impossible to ignore the issue of race. Still, it is a difficult subject to talk about. How do you tell your roommate her jokes are racist? Why did your sister-in-law take umbrage when you asked to touch her hair--and how do you make it right? How do you explain white privilege to your white, privileged friend?

In *So You Want to Talk About Race*, Ijeoma Oluo guides readers of all races through subjects ranging from intersectionality and affirmative action to "model minorities" in an attempt to make the seemingly impossible possible: honest conversations about race and racism, and how they infect almost every aspect of American life.

"Oluo gives us--both white people and people of color--that language to engage in clear, constructive, and confident dialogue with each other about how to deal with racial prejudices and biases."--*National Book Review*

"Generous and empathetic, yet usefully blunt . . . it's for anyone who wants to be smarter and more empathetic about matters of race and engage in more productive anti-racist action."--*Salon* (Required Reading)
