"Micronutrients. Its introduction fired the first warning" - Steven R Gundry.

Steven R Gundry is not afraid of speaking his mind and letting you know what other doctors might avoid telling you. In this title, you will have all the necessary tools at hand to have the best diet possible for you. Not only will you have the meal planner, but also inspirational stories that will help you keep motivated and easy tips to further improve your health.

Steven R Gundry stresses the importance of acknowledging that losing weight and staying healthy is all about your genes and knowing how to outsmart them is the key to getting results. Thinking that just "eating right" will make you lose weight is a mistake and it will cost you a lot of time, money and energy.
