**Survive The Apocalypse In Days Gone Download Online eBook Jacek Halas & GRY-Online S.A. Free eBook PDF/ePub/Mobi/Mp3/Txt**, The guide to Days Gone covers all of the secrets that are hidden in the new production of the Bend Studio team. In our guide, you will find practical tips, information and hints that will help you learn the rules of the game. The first and the most crucial part that you will find is a very detailed walkthrough description of all storyline missions as well as all side missions. In addition, in the FAQ chapter, you will find answers to any questions that you may have about various features of the game.

On the first pages of the guide, you will find some general advice, which will help you during your first hours with the production. We have also prepared a lot of information concerning weapons and combat in order to help you learn about the most important mechanisms of the game. In the guide, you will also find a page about the controls, and it should help you survive during the first hours in this dangerous world.

As the motorcycle in Days Gone plays a very important role, we have prepared a separate chapter on it. There you will find information on how to improve it and where to get fuel. Remember that if you do not take care of your machine properly, it will at some point stop in the middle of the road and you will have to continue the rest of the journey on foot. In such a situation you will be exposed to attacks from zombies and other people.

In our guide, you will also find information about crafting, as it is a very important mechanic in Days Gone. The game allows you to single-handedly repair your motorcycle, as well as produce medicine, traps, and Molotov cocktails. From our guide, you will also learn where to gain resources and how not to put yourself at risk from other people.
