A Smarter You In 15 Minutes... What is your time worth?

In these times, the economy is unpredictable; people need to do away with retirement concepts that a life plan if there is no proper management of income. It doesn't matter whether one is earning huge salaries or living a humble life.

This book has been designed to teach steps to be taken in a luxurious lifestyle. The author has further elaborated this by giving Tim as an example. Initially, Tim used to earn \$40,000 annually but later on he started earning the same amount on a monthly basis. Further, the book teaches you how to outsource your life abroad by embracing virtual aid which will cost you only five dollars per hour.

Moreover, it touches on how people can travel without necessarily resigning from their jobs, ways of eliminating almost half the amount of work you do in two days by use of principles of a forgotten Italian economist, ways of trading in a career that requires long haul for a work that are short with busting and frequent mini-retirements.
