The Anomaly Mind-Set Download Online eBook Sandi Krakowski Free eBook PDF/ePub/Mobi/Mp3/Txt, Powerhouse social media influencer and online marketing and business development expert offers inspiration and hands-on tools for readers to follow their dreams and understand why not fitting in is their biggest asset.

Bringing your whole, true self to your work, including your body, soul, and spirit--and allowing your faith to be part of your day in your workplace--lets you express your fullest potential and be as successful as possible in the world.

Sandi Krakowski found early on that, as she put it, she had "too much God" in her for the workplace and "too much money and business" in her for churches. That made her an anomaly, but it also unlocked her greatest potential: if nobody was doing it her way, she'd find a new way to do things.

Her success has been proven time and again in the companies she's founded and sold, and in the groundbreaking social media marketing she's done that engages with her followers

to where they all plainly feel they know her intimately. Her current business, A Real Change, inspires people to live their fullest, most successful life, on all levels.

In her new book, Sandi will offer all the inspiration and the real, hands-on tools to inspire everyone to follow their dreams, fulfil their real potential, and not leave any part of their soul or spirit behind them on this workplace journey. Every chapter is jam-packed with inspirational stories in her inimitable voice, exploring the ways that each of us can have an impact every day, with tips, takeaways, and "Anomaly Actions" to spur every reader to take power in their own work and spiritual lives right away.

Sandi shows on every page how to break past those doubting voices, both in your own head and out in the world, bucking the system and learning to find the absolutely limitless growth that comes from choosing faith over fear.
