The Black Book Download Online eBook Lawrence Durrell Free eBook PDF/ePub/Mobi/Mp3/Txt, "The first piece of work by a new English writer to give me any hope for the future of prose fiction." —T. S. Eliot

As over-the-top as it is inventive, Durrell's breakthrough novel is a series of sordid vignettes drawn from the lives of decadent artists, doomed bohemians, and continental rascals inhabiting a shabby London hotel, narrated in turns by the unforgettable Lawrence Lucifer and Gregory Death. Together, these characters seek to escape the absurdity of a Europe haunted by devastating war, yet beginning to pitch toward another apocalypse. First published in 1938, and influenced by Henry Miller and the sincere pranksterism of the surrealist movement, *The Black Book* marks the emergence of one of the most revolutionary voices in twentieth-century English literature. This ebook contains a new introduction by DBC Pierre.
