Joyce has been helping women better themselves by helping identify emotional barriers and physical, mental, and spiritual obstacles in their lives for years. Now she provides another answer-confidence.**

Our society has an insecurity epidemic, women in particular. Compensating by pretending to be secure-a common response-only leads to feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds, and in marriage instances can even lead to divorce.

In *THE CONFIDENT WOMAN*, Joyce explores the seven characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith, in God

and in ourselves.
