Nor did she expect that at exactly the moment she does she would set eyes on Alex Hamilton, and mark the start of a year of madness... For her, her family and, at times, it seems most of the West Yorkshire village of Midhope.

Giving birth only two months after Harriet, her lifelong best friend Grace has her own craziness to contend with. As both women hurtle down unexpected and very different paths, they flounder in a maelstrom of passion and confusion, perilously clinging on as the chain of events threatens not only their comfortable, ordinary lives but also their very existence...

Warm, witty and wonderful, the unputdownable bestseller from Julie Houston is perfect for fans of Sophie Kinsella, Milly Johnson, Katie Fforde and Jill Mansell.
