The right woman can be the best part of a man's life, and the wrong one can lead to personal and financial ruin. In today's climate, no man should venture into romance without a reliable risk-management strategy.

The Tactical Guide to Women delivers a solid plan for allowing the right women into your life, and keeping the wrong ones at a safe distance. You'll discover how to:

- Identify good women of low drama and high character
- Reduce your vulnerability to women who seem perfect for you—but aren't
- Spot the early warning signs of emotional instability

You'll also learn:

- Critical techniques for seeing women clearly
- The most common mistakes that lead men into disastrous relationships
- How to reduce the odds of a good relationship going bad

Impeccably researched and backed by the author's decade of clinical experience, *The Tactical Guide to Women* provides men with desperately needed, rarely discussed strategies for finding sanity, joy, and companionship. This is not another book about getting laid. This book is about not getting screwed.
