The Web That Has No Weaver: Understanding Chinese Medicine Download Online eBook Ted J Kaptchuk Free eBook PDF/ePub/Mobi/Mp3/Txt, Chinese medicine is a healing art that has survived and continues to thrive in East Asia and is increasingly becoming a global resource. The Web That Has No Weaver is the classic English language introductory text that explains how medicine so rooted the archaic past can be relevant to modern health care. The book demystifies the worldview of Chinese medicine. Yin and yang, dampness and wind are easily comprehended. The Web lets the reader see, feel and discover aspects of illness that modern biomedicine overlooks or cannot even understand. The use of acupuncture and herbal medicine to regain harmony and balance is explained. The book is both accessible and scholarly and also incorporates the viewpoint of modern science. For students, scholars, health care providers and the general public, The Web has earned its place as the foremost authority synthesizing Western and Eastern approaches to healing. This revised second edition is

the product of years of further reflection on ancient Chinese sources and active involvement in cutting-edge scientific research.
