If you are, then you must understand the difficulty to find delicious vegetarian and ketogenic friendly recipes.

The book: *Vegetarian Ketogenic Diet* provides delicious recipes that follow the Ketogenic diet. Meanwhile, you can still enjoy all the benefits of being a Vegetarian!

We all know the various benefits the ketogenic diet has to offer. It kick-starts your body's metabolism so it burns fat as its primary fuel for amazing fat loss results; it also helps reduce inflammation and lower the risk of many chronic

health problems.

The only problem, though, is that most ketogenic recipes are meat based, creating plenty of other problems, especially for those who prefer a mostly plant-based vegetarian diet.

A Vegetarian diet is extremely beneficial for your skin, weight-loss, aging, energy, and vitality. Moreover, animals and the environment thrive from it, too. By going through this simple process, you make an outstanding impact on your health, well being, and the world. Yet, sometimes being a vegetarian and going on a diet can be frustrating...

So, if you are tired of going through endless keto recipes, only to find out that they do not suit your vegetarian lifestyle, you're at the right place, because this book will reveal the secrets of eating a meatless diet while staying in ketosis and losing weight.
