Welcome to Moonlight Harbor Download Online eBook Sheila Roberts Free eBook PDF/ePub/Mobi/Mp3/Txt, USA TODAY bestselling author Sheila Roberts returns with a brand-new series set on the charming Washington coast

Once happily married, Jenna Jones is about to turn forty, and this year for her birthday—lucky her—she’s getting a divorce. She’s barely able to support herself and her teenage daughter, but now her deadbeat artist ex is hitting her up for spousal support...and then spending it on his “other” woman.

Still, as her mother always says, every storm brings a rainbow. And when she gets a very unexpected gift from her great-aunt Edie, things seem to be taking a turn for the better. Aging Aunt Edie is finding it difficult to keep up her business running The Driftwood Inn, so she invites Jenna to come live with her and run the place. It looks like Jenna’s financial problems are solved!

Or not. The town is a little more run-down than Jenna remembers, but that’s nothing compared to the ramshackle state of The Driftwood Inn. Aunt Edie is confident they can return it to its former glory, though Jenna feels like she’s jumped from the proverbial frying pan into the beach fire.

But who knows? With the help of her new friends and a couple of handsome citizens, perhaps that rainbow is on the horizon after all. Because, no matter what, life is always good at the beach.

Featuring all the warmth, romance and trademark humor of Sheila Roberts’s writing, this new series will delight longtime fans and welcome a generation of new readers.
