With more than 40,000 Google searches happening every second, you need to find a way to gain the attention of these potential customers.

In today's 24/7 connected world, getting in front of the right customers at the right time can be a challenge.

Knowing how your target audience engages with their favorite brands and the things that influence them to buy are the keys to growing your online business.

## **The Challenges You May Be Facing**

Unfortunately there are some common things that could keep you from realizing the huge results you'd hoped for:

You're not in touch with your customers

You're avoiding social media because you don't think your customers are on it

You haven't put in the right processes for growth

You're providing poor customer service

You aren't effectively marketing your business

You never took the time to validate your business idea

You have a poor or non-existent business plan

Fortunately, many of the things that you're doing, or not doing can be corrected.

By taking the right actions today, you can start to turn your Internet business around so that you can achieve success.

Luckily, I've created a comprehensive manual that details the 79 actions that you need to take today that will lead you to realizing huge results in your Internet business.

This comprehensive guide covers everything from validating your business idea, to transitioning your business for growth, to successfully scaling your business to grow beyond your wildest dreams.

So without further ado, allow me to introduce you to:
